

Manna•Bears® Supplement with Ambrotose® complex

Delicious chewy bear-shaped pectin gums with the goodness of pomegranate, fruits and vegetables. Young people have their own specific nutritional requirements. As a parent, your goal should be to give them the nutrients they need—preferably in flavours they love.

About Manna•Bears supplements:

Mannatech's Growth Essentials product provide vitamins, minerals, glyconutrients and phytonutrients that are formulated to help supply vital nutrients young people need during their growth years.

A new generation of grape, punch and lime flavoured bears

All fruit and vegetable ingredients (no animal products-Kosher certified)

New kid friendly Ambrotose® complex with phytonutrients and pomegranate

4 Manna•Bears = glyconutrients in 2 Ambrotose® capsules

Best of all, your children will love the taste!

Being a kid just got even better!

Every parent knows how difficult it can be to get their children to eat the right foods that support healthy growth. This requirement becomes especially difficult when it comes to making sure they snack on nutritious foods instead of high-calorie sweets and other "junk" foods.

Manna•Bears® Supplement with Ambrotose® complex

Manna•Bears supplements are every parent's answer to the continuing challenge of getting kids to eat the right foods in the quantities growing bodies need. Manna•Bears supplements are designed as scrumptious, chewy, sweet treats in colourful, bear shapes—a snack food that kids will come back for again and again.

In addition to its specially formulated glyconutritional blend, Manna•Bears supplements provide the nutritional goodness of 10 different dehydrated fruits and vegetables. Everything is packed into a colourful, wholesome pectin base, derived from natural sources. Used as part of a healthy diet, Manna•Bears supplements are the ideal snack to help children stay healthy and grow properly.*
